Food Baskets

Goal:

The J9 Directorate, in conjunction with its MOU Partners, is in the process of collecting monetary donations to create 100 food baskets to distribute to deserving Veteran and National Guard families throughout the state. With your help, we will support 50 Veteran families and 50 National Guard families in our communities statewide.

Our goal includes distributing the first 10 baskets by Thanksgiving, and the rest by 21 December 2009.
