

WDVA's Homeless Veterans Reintegration Project

HVRP is a proven, successful program that gets homeless veterans off the street and back to being productive members of society. WDVA provides HVRP-Urban services to Veterans in the Puget Sound Region of King, Kitsap, Pierce, and Thurston Counties. HVRP-Rural services are provided in Eastern Washington.

The HVRP offers a structured, individually designed case management plan to assist veterans become employable and secure by providing employment support services such as food, clothing, transportation, and employment support services. Through outreach, assessments, and enrollment into program services, veterans are provided services and activities that will develop and/or increase job readiness.
