

Sole Source Contract Notice
March 3, 2016

The Washington State Department of Veterans Affairs contemplates awarding a sole source contract to provide Business Analysis professional services as the overall business and technical analyst to ensure the Enterprise Veterans Case Management System (EVCMS) vendor's project plan, implementation approach, and overall solution is technically and pragmatically feasible, meets the cost model and cost milestones as contracted, and meets the specific business and technical requirements of the Washington State Department of Veterans Affairs (WDVA). The contract will be issued on or about April 1, 2016. Offerors contemplating the above requirements are required to submit capability statements detailing their ability and experience to meet the state's requirements within 5 business days of this announcement. In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
