FINANCIAL UNDERSTANDING -- MONTH OF ADMISSION TO STATE VETERANS HOMES

This document explains why your first month payment may be different from future payments, how your payment amount is decided, and who you can talk to if you have questions.

Why will my first month payment be different?

Your first month payment is based on the number of days you will actually reside at the Home multiplied by the Daily Rate. For example, you will be billed for the day you move in through the end of the month.

Daily room rate for residents is as follows:

- Skilled/Long Term Nursing Care: \$292.00 (WSH \$328.00) Semi Private | \$312.00 (\$338.00 WSH) Private

(Eff 09/01/2023 – Rate Reviewed Annually - Subject to change w/60 days advance notice.)

How is my cost of care determined?

- **MEDICAID ELIGIBLE / MEDICAID PENDING:** Medicaid participation is determined by DSHS. Pending residents are required to pay an estimated participation based on their monthly income.
- **FEDERAL VA ENHANCED PER DIEM PROGRAM:** Veterans with service connected disability ratings of 70% - 100% receive their nursing care at no cost. The same is true for veterans whose service connected disability is the primary reason they require nursing care, regardless of disability percentage. Please note: Washington State law (RCW 72.36.030) requires all State Veterans Home applicants to apply for all federal and state benefits for which they may be eligible, this includes Medicare Part B. Medicare Part B pays for non-nursing care such as labs and x-rays and other services provided outside the nursing care facility.
- **MEDICARE:** Medicare requires a daily coinsurance amount beginning on day 21 of a qualifying Medicare stay. Medicare Advantage plans may have deductibles and coinsurance; these amounts are determined by the insurance company.
- **PRIVATE PAY:** Residents not eligible for Medicaid, the Federal VA Enhanced Per Diem Program, Medicare, or any other government program, are required to pay the current daily room rate.

What is the amount of my first month payment? The Admissions Coordinator/Veterans Benefit Specialist will determine your first month payment based on the number of days you will reside at the Home.

Who can I call if I have questions? The Admissions Coordinator/Veterans Benefit Specialist is available to answer your questions. Please contact:

The Washington Soldiers Home (360) 893-4580
The Spokane Veterans Home (509) 344-5778

The Washington Veterans Home (360) 895-4711
The Walla Walla Veterans Home (509) 394-6806

.....
I understand that my first month payment is due on the day I move in and that the Veterans Benefit Specialist (VBS)/Admissions Coordinator (AC) at the Home will estimate what my first month payment amount is on the day I move in to the Home. I agree to give the VBS/AC at the Home all the necessary documents to verify my income, assets and expenditures to assist in determining the amount of my first month payment and eligibility for any benefits (including Medicare A, Medicare B, Medicare D, Medicaid, Social Security, Fed VA Benefits such as Compensation/Pension, Aid & Attendance, etc.) to which I may be entitled and to which I must apply, as required by state law (RCW 72.36.030).
