BE AWARE: Be cautious if someone offers to move your assets around for you to qualify for VA pension. This type of scam is often directed toward Veterans and family members who do not actually qualify for VA pension, meaning you could be required to repay these benefits to the government.

Washington State Law prohibits a person from certain practices related to assistance in the preparation of a veterans’ benefits claim.

If you are concerned about a possible pension poaching scam contact the Attorney General’s Office at 888-551-4636 or http://www.atg.wa.gov/FileAComplaint.aspx

VETERANS ENHANCEMENT PROGRAM

The Veterans Enhancement Program is a partnership between the Washington Health Care Authority and the Washington State Department of Veterans Affairs. WDVA Benefits Specialists connect with veterans who might not realize they are entitled to benefits from the US Department of Veteran Affairs.

Often benefits provided by the VA are more generous than those provided by Medicaid.

WDVA has helped over 4000 Washington veterans and their survivors apply for and receive a VA Pension saving over $30 million to our State’s Medicaid Program.
