DEPARTMENT OF VETERANS AFFAIRS

*Washington Veterans Home • 1141 Beach Drive E • Port Orchard, Washington 98366 • (360) 895-4700*

January 4, 2021

Dear Washington Veterans Home Residents, Family and Representatives,

As a result of our all-facility COVID-19 testing, we have identified an additional resident and staff member who have been diagnosed with COVID-19.

All residents at the Veterans Home will be retested every 5-7 days until 14 days have passed without a new positive resident and staff. Additional environmental cleaning continues to take place and we will conduct enhanced surveillance, including 4-hour symptom and temperature checks, for residents for the next 14 days.

We continue working with the Kitsap Public Health District to determine next steps with regard to additional measures. We also are following guidance from CDC, CMS and our State Department of Health to ensure we are safeguarding our residents and staff.

Staff will continue to monitor whether they have any symptoms, including the presence of a fever. As part of our ongoing screening process, all staff are screened upon arrival at work each day. This process includes a series of questions around whether symptoms are present and a temperature check. In addition, staff are asked to report any symptoms that occur after coming to work.

The Veterans Home, is following guidance from the Centers for Medicare and Medicaid Services, which requires regular testing of all long-term care facility staff. Currently the rate of positivity in Kitsap County requires staff to be tested once each week. This may result in the identification of asymptomatic carriers, but is an important tool in defending against COVID-19.

The Veterans Home's second vaccine clinic will be held in the next few weeks, currently scheduled for January 20, 2021. Residents who got their first vaccine dose on December 30, will receive their second dose at this clinic; no additional consent forms are needed for the second dose. If a resident did not get vaccinated last week, there is still time to sign up for the second clinic. If you are a resident POA, please ensure we have received your signed consent as soon as possible, as vaccinations must be

ordered 24 hours in advance of the vaccine clinic. If you need a new copy, it can be found online at:
