MEDICAID

Medicaid is a government program that pays for medical services including nursing home care. It is administered by Health Care Authority (HCA) - the Washington State Department of Social and Health Services (DSHS) is the designee of the HCA in administering the nursing facility program. To get Medicaid payment for nursing home care, a resident must be financially eligible and meet the requirements for the level of care provided in a nursing home.

Resident Participation - The monthly amount a resident must pay to the WSVH. If the resident is a Medicaid recipient, the resident participation is determined by the appropriate DSHS community service office. DSHS will recalculate resident contribution with any change in the resident's monthly income. Residents with Medicaid coverage are required to report all income and resources annually and within 14 days of any change in income or lump-sum payments.

Resident Participation = Monthly Income - Allowable Expenses - Personal Needs Allowance
Current Personal Needs Allowance (PNA): up to **\$160/Month** depending on income

MEDICARE PART B

Medicare Part B is part of original Medicare and covers medical services and supplies that are medically necessary to treat the resident's health conditions. This can include outpatient care, preventive services, emergency ambulance services, and durable medical equipment. It also covers part-time or intermittent home health and rehab services, such as physical therapy, if ordered by a physician.

Medicare Part B premiums

- ✓ Medicare Part B premiums may change from year to year, and the amount can vary depending on the situation of the resident. For many people, the premium is automatically deducted from their Social Security benefits.
- ✓ The current standard monthly Part B premium is: **See Rate Sheet**

Medicare Part B deductible and coinsurance amounts

- ✓ The annual deductible for Medicare Part B is currently **See Rate Sheet**. Residents will also be responsible for a 20% coinsurance for many covered services. If a physician or health care provider accepts assignment for a covered service, the resident would pay the Part B deductible along with 20% of the Medicare-approved amount for services rendered. Accepting assignment means that a physician or health care provider will not charge more than the Medicare-approved amount for the covered service. The resident would still be responsible for cost-sharing

Medicare Part B-covered services

Medicare Part B provides outpatient/medical coverage. The list below provides a summary of Medicare Part B covered services and coverage rules:

- ✓ Provider services: Medically necessary services provided by a licensed health professional.
 - Medically Necessary as defined by the Centers for Medicare and Medicaid Services (CMS): Services or supplies that: are proper and needed for the diagnosis or treatment of your medical condition, are provided for the diagnosis, direct care, and treatment of your medical condition, meet the standards of good medical practice in the local area, and aren't mainly for the convenience of you or your doctor.
- ✓ Durable medical equipment (DME): This is equipment that serves a medical purpose, is able to withstand repeated use, and is appropriate for use in the WSVH. Examples include walkers, wheelchairs, and oxygen tanks.
- ✓ Ambulance services: This is emergency transportation, typically to and from hospitals. Coverage for non-emergency ambulance/ambulette transportation is limited to situations in which there is no safe alternative transportation available, and where the transportation is medically necessary.
- ✓ Preventive services: These are screenings and counseling intended to prevent illness, detect conditions and keep residents healthy.
- ✓ Rehab services: Physical, Speech, and Occupational Therapy services provided by a Medicare-certified therapist
- ✓ X-rays and lab tests
- ✓ Select prescription drugs, including immunosuppressant drugs, some anti-cancer drugs, some anti-emetic drugs, some dialysis drugs, and drugs that are typically administered by a physician.

Coinsurance/Co-Pays/Deductibles

- ✓ The daily rate does not cover coinsurance, co-pay, or deductible amounts designated by Medicare Part A, Medicare Part B, Medicare Part C, Medicare Part D or any other insurance coverage.
- ✓ Medicare Part A requires a daily coinsurance charge from days 21-100; if the resident has no Medicaid coverage, no supplemental, or secondary insurance to cover the charge, it is due from personal funds.
- ✓ Medicare Part B requires 20% coinsurance; if the resident has no Medicaid coverage, no supplemental, or secondary insurance to cover the charge, it is due from personal funds.
- ✓ Coinsurance and deductible amounts vary if the resident is enrolled in a Medicare Part C (Medicare Advantage) plan. Contact your insurance to determine the amount that will be assigned.
