December 10, 2021

Dear Veterans Home Residents, Family and Representatives and Staff,

We are writing to keep you up to date on how COVID-19 is impacting the Spokane Veterans Home.

On Friday, we sent a letter with information on a resident who had both negative and positive COVID-19 test results. We are so happy to report that further testing indicated the resident was NOT positive for COVID-19. This is wonderful news for our resident, and it means that we are no longer operating in outbreak status!

Residents will again be able to enjoy their meals in the dining rooms, and indoor visits can be scheduled by calling Jeanette, Eric, and Catherine in Recreation Therapy at (509) 688-9209 or (509) 221-0799.

Recreation Therapy is starting groups again and in between groups we will be handing out gifts, cards, and other fun items from the community. If you'd like to drop off gifts or schedule an appointment, please make sure to schedule with Recreation Therapy. We will get busier and busier closer to Christmas so please don't try to schedule at the last moment.

Thank you for your patience and we wish you and your loved ones a joyous Holiday Season!

Sincerely,

Patrick McNabb  
SVH - Administrator
