DEPARTMENT OF VETERANS AFFAIRS**

Washington Veterans Home • 1141 Beach Drive E • Port Orchard, Washington 98366 • (360) 895-4700

August 3, 2022

Dear Veterans Home Residents, Family and Representatives,

We are sending this letter to ensure you have the latest information regarding the finding of COVID-19 in our facility. Through our continued proactive testing, we have confirmed one additional resident has been diagnosed with COVID-19. Since March 21st, we have had thirty-four residents and seventy-three staff members diagnosed with COVID-19.

Residents on the affected units will continue to be proactively tested and positive Residents in the facility are isolated to prevent additional spread.

We are working closely with the Kitsap Public Health District and following guidance from them, the Centers for Disease Control, Centers for Medicare, and Medicaid Services (CMS), and our State Department of Health to ensure we are safeguarding our residents and staff.

Staff are tested twice each week and are also paying close attention to whether they have any symptoms, including the presence of a fever. As part of our ongoing screening process, all staff are screened upon arrival at work each day. This process includes a series of questions around whether symptoms are present and a temperature check. In addition, staff are asked to report any symptoms that occur after coming to work.

Other Updates:

Activities and Visitors

We are following guidance from the Kitsap Public Health District and are monitoring the effected hallway. All halls remain open for visitation at this time.

Essential Support Personnel that choose to come to visit a Resident on a potentially Isolated unit will be required to wear a mask and eye protection upon entry.

Facility Maintenance

Our Housekeeping, Maintenance and Laundry departments are also working hard throughout our facility, ensuring equipment and linen are kept clean and sanitized. Our housekeeping team provides continuous disinfections of all the most touched surfaces within the building along with the daily cleaning, sanitation, and repair routines that they provide. For family members who assist their loved ones with their laundry, pickup days will be Wednesdays.

In an effort to provide information as quickly and accurately as possible, we have developed a website to provide information to families and resident representatives, <https://www.dva.wa.gov/covid>. Thank you trusting us with providing care to your loved one.

Please feel free to contact us at 360-895-4700 with any questions or concerns.

Signed,

Pamela Cokash, B.A., LNHA

Administrator
