

2022 Holiday Community Outreach Event

December 1, 2022

Time: 2:30-5:30pm

Location: The Olympia Community Center
222 Columbia St. NW, Rm. A & B
Olympia, WA 98501

Join us for a community resource event with access to services that include housing, medical, behavioral health, substance use treatment, childcare, peer support, transportation, family support services, etc.

Our goal is to help bridge the gap in services available to our unhoused community members and build relationships within these gaps.

Event organized by Northwest Resources II, Salvation Army, and Innovations HTC. Please contact Samantha (360.791.0263) with any questions.
