

WA State Department of Veterans Affairs Counseling and Wellness Programs Veterans Conservation Corps Internship Program

"In healing nature, you heal yourself."
-John Beal, Founder of the VCC

VCC Program Mission

Serve those who served by providing veterans with self-directed connections to the lands, waters, and communities in WA State.

The VCC provides opportunities for veterans to do meaningful work in conserving and restoring natural ecosystems with our environmental conservation and agricultural community partner organizations. We support veterans in establishing and maintaining healthy reciprocal relationships with nature and their community so that through their own efforts they may increase their self-efficacy and resiliency and realize a positive shift in their mental, emotional, and physical well-being. To further support their efforts, VCC interns receive training and resources on veteran-related topics that empower them to address and overcome any challenges that they may experience in their transition from the military.

Desired Outcomes for VCC Interns

- Veterans take the initiative to create a self-directed internship experience
- Given the opportunity to do meaningful work in conserving and restoring natural ecosystems and seeing the results of their efforts, veterans acknowledge and understand their own self-efficacy, resiliency, and ability to overcome their own personal challenges
- Veterans establish and maintain healthy reciprocal relationships with nature and their community
- Veterans realize a positive shift in their mental, emotional, and physical well-being
- Veterans acquire skills and experiences that may help them in finding meaningful employment

Internship Stipend

The VCC provides interns a stipend to assist with necessary living expenses incurred while participating in the internship program. This stipend is paid directly to the intern from the WA State Department of Veterans Affairs.

- Full-time internship (~40 hours/week): \$2,400/month
- Part-time internship (~20 hours/week): \$1,200/month

Internship Position Classification & Benefits

VCC interns will not receive wages and will not be an employee of either the WDVA or the partner organization.

Employer taxes associated with the internship stipend, to include Medicare, Social Security, and L&I benefits for medical care with regard to on-the-job injuries, are covered by the WDVA. The WDVA is a self-insured agency, thus any L&I claims required for interns who experience an on-the-job injury during their internship will be filed by the WDVA.

Partner Organization Participation Fee

The VCC will invoice a one-time participation fee to the partner organization for each veteran placed in a VCC internship. The fee is \$100 per month, or part thereof, for a full-time internship and \$50 per month for a part-time internship. The full participation fee amount will be invoiced within the first month after the start of each internship.

For example, a 6-month full-time internship term will require a participation fee of \$600, and a 9-month part-time internship term will require a participation fee of \$450.

Internship Term Limit

- Each intern may complete a maximum total of 24 internship months
 - Internship terms do not need to be consecutive
 - Interns may participate in internships with different partner organizations
 - Internships may be extended beyond original term length, as long as the extension does not exceed the intern's maximum total of 24 internship months
