Accounting Procedures
for the
Veterans In-State Service Shared Leave Pool (VISSLP)

The accounting procedures for all agencies and higher education institutions to donate to or receive payments from the VISSLP follow those currently prescribed by SAAM 25.40.10.c, 85.34.20, and 85.42.50 for the general shared leave program.

Receiving Donations/Making Payments to Agencies from the VISSLP

The Washington State Department of Veterans Affairs (WDVA) transactions for receiving donations and making payments to other agencies will be recorded in the VISSLP Account, Fund 21U.

- **Receiving**: When receiving donations of shared leave to the VISSLP, the WDVA will record a Revenue-Donation, revenue source code 0441.
- **Making Payments**: When making payments to other agencies, the WDVA will record expenditure to Other Grants and Benefits, sub object NZ.

Transfer Money to/from VISSLP in Two Ways

1. **Transfer of Dollar Values Utilizing the Inter Agency Payment System (IAP)**
   - Journal Voucher (A7) will be used for transfer of the dollar value of donated leave to or payment by the Military between treasury and treasury trust accounts. The JV should indicate:
     - The Name of the employee who is donating leave
     - The transfer is for donation to the VISSLP
   - The WDVA statewide vendor code for fund 21U is SWV0021367-08. The donor agencies will enter on the line for the WDVA 3050 for the agency number and 21U for the account.
   - The Journal Vouchers should be mailed to:

     WDVA - VISSLP  
     Attention: Payroll Supervisor  
     PO Box 41150  
     Olympia WA 98504-1150  
     MS 41150
2. **Transfer of Dollar Values from and to Local Fund**
   
   - Checks will be used for the transfer of leave funds to or payment by the WDVA to a local fund. In addition to the check, agencies/institutions transferring through a local fund must include:
     - The name of the employee who is donating leave
     - An indication that the warrant is for donation to the VISSLP
   
   - The Warrants should be mailed to:
     
     WDVA - VISSLP

     MS 41150

**Overpayments**

In the event that a Recipient was overpaid due to abuse of the VISSLP, the employer will notify the Recipient of the overpayment and set up a repayment plan to recoup the overpayment. The money that is recouped is to be returned to the VISSLP account.

**Unused shared leave**

- Return any unused shared leave to the VISSLP. Consider the shared leave ended when any one of the following events occurs:
  
  - When the Recipient voluntarily stops using the shared leave and instructs reversion of the remaining shared leave balance.
  - When the Recipient is unable to use the remaining shared leave, (i.e., the employee terminates employment).

- Upon reversion, the Recipient’s agency/institution completes the following steps:
  
  - Determine the Recipient’s shared leave hours remaining.
  - Calculate the dollar value using the Recipient’s *original TSR* and return the dollars to the VISSLP.
  - Any reversion *must* use the same TSR basis that was used to provide the shared leave hours to the Recipient. Otherwise, the dollar value per reverted hour returned to the VISSLP account will be more or less than received, depending on how the Recipient’s current TSR may have changed.
Monitor VISSLP Fund Account Balance

The WDVA is responsible for monitoring the balance in the VISSLP Fund Account.

- If the fund is too large, the WDVA may decline donations to the VISSLP until the balances are back to a reasonable level.
- If the balance is too low, the WDVA will advertise the need for additional leave.
