PTSD and War Trauma Counseling Services Provided by King County Veterans Program (RCW and LEVY Funds) Under a Contract with WA State DVA, Behavioral Health (PTSD Outpatient) Program

One therapist offers home visits to veteran families throughout the county.

One therapist offers in-service/consultation to college and university counseling staff to create Veteran Friendly Campuses, and to enhance clinical skills in support of crisis management and effective referrals.

*One contractor offers services to K-12 students of parents deployed to Iraq/Afghanistan, other war zones in support of GWOT. Classroom based curriculum is also part of this project effort, as are child and family therapy services.
