How can VAAC and VSO’s be better Partners?

To get More interaction between VAAC and VSOs the VAAC will:

• Before a Town Hall
  • Check in with the local VSOs and Community Providers to find out what the top 3 – 5 issues are in that community so that the agenda can address those issues specifically.
  • Ask VSO and Community Providers to share information about the Town Hall with all members and encourage them to help spread the word in their community!

• After a Town Hall
  • Share meeting minutes and information that was discovered to answer questions asked during the Town Hall.
  • Ask that the VSO distribute this information to all members!

• Each Year the VAAC will:
  • Compile a list of common issues and outcomes from Town Hall Meetings to be provided to the WDVA Director and the Governor to demonstrate the impact of the Town Halls, and as potential areas for policy changes.
How can VAAC and VSO’s be better Partners?

To address Recruitment and Retention of Members with the Knowledge, Skills and Abilities needed to serve on the VAAC, the VAAC will:

• Engage with the VSO 4-6 months prior to a VAAC Member’s Term Expiration

• Work with the VSO to identify three new candidates for that VSO to submit to the Governor’s Office.
