<td>This King County Veterans, Seniors, and Human Services Levy funded program offers veteran &amp; military trauma informed care training, evidence based practices training, and specific workshops and conferencing that address the needs of professionals who work with veterans. Topics include Military and Veteran Cultural and Trauma Informed Care, PTSD, Traumatic Brain Injury, Military Sexual Trauma (MST), PTSD Assessment, Treatment, Resource Information, and Referral Linkage. For more information regarding workshop titles, times, and locations, please visit the Veteran Training Services Center please contact:</td>
<td>These trainings are no-cost educational opportunities, featuring many talented faculty members who are educators, authors, treatment professionals, veterans, and trainers with specialty skills in assessment and treatment of PTSD, TBI, and a range of military and veteran related trauma and homecoming concerns. Special emphasis is given to social service agencies, private practice providers, first responders, police, colleges and universities, employers of veterans, K-12 professionals, and others.</td>
